Our final itinerary and pricing will depend on the final numbers so this is just an idea of what to expect.

Hotels are pricing at around \$500 a night so we have reduced our stayover to 2 nights. This should give most people arrival afternoon, full day the next day, and most of the day (until 3pm) on cruise embarkation day.

A 48 hour Hop/On Pass should allow you to see a lot of Seattle but we do suggest looking at some other fabulous experiences to add in during your stay. We may replace this with a private sightseeing tour but this will depend on final numbers.
